"to" is a very common word and was not included in your search. [\[details\]](#)
 Lowercase "or" was ignored. Try "OR" to search for either of two terms. [\[details\]](#)

Patents

Patents 1 - 10 on **applying revision information or number to software**. (0.36 seconds)

« [View all web results for applying revision information or number to software](#)

System and method for incorporating changes as a part of a **software** release

US Pat. 6385768 - Filed Sep 30, 1999 - Unisys Corp.

5D, the concept of **applying a revision** to a stream in an archive is shown. ...
 and passing it to the apply operation in the **software** release for the stream. ...

Image processing apparatus, method and recording medium therefor

US Pat. 6647125 - Filed Jul 16, 1998 - Canon Kabushiki Kaisha

The image **information** and the image attribute **information** are stored in a ...
 final owner, **revision number** (**number** of times of savings of the object), ...

Methodology for the efficient management of hierarchically organized **information**

US Pat. 6216140 - Filed Sep 17, 1997 - Hewlett-Packard Company

Automatically **Applying** Changes in a Hierarchy of 20 **Revision**-Controlled Items In
 yet another aspect of **software** development, it is often desirable to ...

Software piracy detection system

US Pat. 5754864 - Filed Nov 12, 1996 - Charles E. Hill & Associates, Inc.

TXT). **applying** those scale factors and offsets. After this **information** is ...
 for storing a program, a remote **revision** level, and a program serial **number**; ...

Packing material product and method and apparatus for making, monitoring and controlling the same

US Pat. 6524230 - Filed Sep 24, 1998 - Ranpak Corp.

... the present invention is also contemplated as **applying** to various types of
 ... wherein the machine **information** is a **software revision** indicator of ...

Automatically preserving application customizations during installation of a new **software** release

US Pat. 5845128 - Filed Feb 20, 1996 - Oracle Corporation

Each entry 1-n corresponds to a file associated with a new **software** release ...
 The file **revision number** provides a **revision** control **number** for the SQL file ...

Distributing database differences corresponding to database change events made to a database table located on a server computer

US Pat. 6321236 - Filed Aug 3, 1999 - Arkona, Inc.

Additionally, minimal client **software** will have the ability to ... In addition,
 a two-tier **revision** process is shown that allows a database table to be ...

Software application domain and storage domain characterization process and method

US Pat. 7058545 - Filed Sep 16, 2002 - Hewlett-Packard Development Company, L.P.

For cation, model **number**, firmware **revision** level, and/or other e j & We can ...
 17 a zoning process 470, which may be 440 the results of **applying** the one ...

Distributing database differences corresponding to database change events made to a database table

located on a server computer

US Pat. 5999947 - Filed May 27, 1997 - Arkona, LLC

Additionally, minimal client **software** will have the ability to ... In addition,
a two-tier **revision** process is shown that allows a database table to be ...

Multiprocessor system capable of circumventing write monitoring of cache memories

US Pat. 6253290 - Filed Feb 10, 1999 - Mitsubishi Denki Kabushiki Kaisha

In the present embodiment 13, an improved **applying** 20 method for implementing the
... from a stored address of the **information** about 35 a segment **number** (7, ...

The following words are very common and were not included in your search: **an with**. [\[details\]](#)

Patents

Patents 1 - 10 on calculating an index with restricting conditions. (0.25 seconds)

[« View all web results for calculating an index with restricting conditions](#)

Method of optimizing combination by neural network

US Pat. 5416889 - Filed Sep 19, 1994 - Mitsubishi Denki Kabushiki Kaisha

... fittest neuron in the learning process so as to satisfy the **restricting conditions**;

... means for **calculating an index** which evaluates the arrangement; ...

System for and method of working out production start plans

US Pat. 5913200 - Filed Jan 24, 1996 - Toyota Jidosha Kabushiki Kaisha

In this way, a plan not contain such elements as the **restricting conditions** from

which can be actually executed and which is close to the the equipment ...

Therapy-selection methods for implantable heart monitors

US Pat. 6314321 - Filed Jun 30, 1999 - Cardiac Pacemakers, Inc.

... to identify and treat abnormal rhythmic **conditions** efficiently and accurately.

... means for **calculating** a dispersion index based on a subset of the ...

Apparatus of article distribution end control

US Pat. 5884034 - Filed Nov 26, 1996 - Fujitsu Ltd.

8 is a conceptual diagram showing a retrieval **index** for attributes of ...

means for **calculating** information which specifies a dis-tribution end whose ...

Therapy-selection methods for implantable heart monitors

US Pat. 6681134 - Filed Sep 18, 2001 - Cardiac Pacemakers, Inc.

The monitoring apparatus of claim 1, wherein the means for **calculating** a number

based on the minimum interval, the range statistic, and the dispersion **index** ...

Control device for an internal combustion engine and a continuous variable transmission

US Pat. 5382205 - Filed Jan 7, 1993 - Mitsubishi Jidosha Kogyo Kabushiki Kaisha

... objective engine torque **calculating** means for setting an objective engine ...

transmission ratio when **restricting** said objective transmission ratio ...

METHOD FOR ANALYZING HYDROCARBONS

US Pat. 2577640 - Filed Nov 18, 1948

Thus, if the diene **index** is relatively high, it will be known that the **conditions**

are improper to remove the diolefins. Whereas, if the diene **index** is ...

Control method and controller for engine

US Pat. 5605132 - Filed Dec 11, 1995 - Hitachi, Ltd.

Therefore, the combustion stability **index** P calculated based on the ... An example

of a **calculating** process executed with the MPU 15 to realize such a ...

Biologically-identified optimal temperature interactive console (Biotic) for managing irrigation

US Pat. 5539637 - Filed Jun 17, 1994 - The United States of America as represented by the Secretary of Agriculture

... provide a method for **calculating** a crop water stress **index** (CWSI). ... of the

energy balance for a plant canopy under non-water stressed conditions. ...

Method for automatic, adaptive, active facilitation to access myocardial electrical instability

US Pat. 5555888 - Filed Feb 27, 1995

... overall time of operation of the invention without **restricting** the ability of .

... by **calculating** an outcome for each vertex of a starting simplex 152. ...
